## Preparing for the event

- 🎯 Pick the trivia questions you like best. You'll find some ideas below that you just need to tailor to your team. We suggest picking between 5 and 10.
- 📅 Set up a scoring system. We suggest making each question worth one point, with one or two bonus questions worth multiple points.
- 🎁 Pick a prize for the winner(s)! It could be as simple as bragging rights, or it could be a \$10 Starbucks card, a special piece of company swag, etc.
- 📢 Practice using the broadcast function before the event. You'll want to be able to talk to everyone in the room to kick things off and to wrap things up. [Need help using broadcast?](#)

## Running the event

- 📢 Use the broadcast tool to gather everyone in the same spot!
- 🏆 Tell your team about the scoring system and reveal the prizes - time for some friendly competition!
- 🗨️ Share the questions one by one. You can use a slide deck and share your screen, read the questions over broadcast, or type the questions in the #local chat box. *Not sure where that is?* Click the speech bubble icon in your left side menu. Then find and click on the "#local" channel to open the chat box connected to your event.
- 🔑 Reveal the answers at the end, and have everyone tally up their points.
- 📌 Ask everyone to submit their score in the chat box so you can announce the winner(s)!
